

NDIFREKE UDOH

Frontend Developer

github.com/FrekeNobles | Port Harcourt, Nigeria

PROFESSIONAL SUMMARY

Detail-oriented Frontend Developer with expertise in building responsive, high-performance web applications. Proficient in modern JavaScript frameworks (React, Vue, Next.js) and TypeScript. Passionate about clean component architecture, type-safety, and delivering seamless user experiences through PWAs and real-time dashboards.

TECHNICAL SKILLS

Languages	JavaScript (ES6+), TypeScript, HTML5, CSS3
Frameworks/Libraries	React, Next.js, Vue.js, Vite, Pinia, TailwindCSS
Tools & Tech	PWA, WebSockets, REST APIs, Git, Vercel, CSS Modules

FEATURED PROJECTS

Zylo

zylo-amber.vercel.app

A modern web application focused on clean component architecture and type-safe development patterns. Implemented using React and TypeScript for robust UI state management.

React, TypeScript, Vite, CSS Modules

ViewOps

view-ops.vercel.app

A real-time operations dashboard featuring live data streams and dynamic charts. Utilized WebSockets for instant updates and Pinia for centralized state management in Vue.

Vue.js, WebSockets, Chart.js, Pinia

HabitMe (PWA)

habit-me-lac.vercel.app

A Progressive Web App for habit tracking with full offline support and push notifications. Built with Next.js to leverage SSR and SEO optimization.

Next.js, TypeScript, PWA, TailwindCSS

etokiAI

github.com/FrekeNobles/etokiAI

An AI-powered application engineered for performance. Focused on custom manifest configurations for enhanced mobile-web integration.

JavaScript, PWA, REST API

EXPERIENCE

2023 - Present

Frontend Developer (Freelance / Personal Projects)

- Developed and deployed multiple production-ready applications using React, Vue, and Next.js.
- Optimized web performance and accessibility, achieving high Lighthouse scores for mobile and desktop.
- Integrated complex third-party APIs and real-time data handling using WebSockets and REST.

EDUCATION

Software Development Certification / Self-Taught Path

Ongoing

Focus on Modern JavaScript Frameworks and System Design.
